

# Welcome to Consumers Credit Union

We want to help you achieve your financial goals!

We know that personal financial fitness plays an important role in your overall wellness and job satisfaction. That's why we've partnered with your organization to bring complimentary Consumers @Work financial services and education right to your workplace.

- Access to hundreds of blogs, podcasts and videos on a range of topics including **buying a car, your credit, financial wellness, savings, digital banking** and more.
- Financial presentations on **budgeting, reducing and eliminating debt**, and **understanding your credit score**
- COVID-19 tips on **paying bills and managing debt, navigating changes to job security** and helpful information for friends and family who may be **experiencing unemployment**
